

## Pilot Trainee Advertisement

NAURU AIRLINES is seeking male or female candidates who are *motivated and committed* to excel through a challenging and demanding training program. The Pilot Trainee Program is an outstanding opportunity designed to equip successful trainees with the skills, qualifications and experience required for a future career as an airline pilot.

The sky is the limit! Take off on an exciting career with Nauru Airline’s Pilot Trainee Program, designed to offer those passionate about aviation with the skills to realise their dreams of becoming a pilot.

Commencing a career as a Commercial Pilot requires a high level of dedication and passion. In return for this you will be placed in a world class training program and will receive the benefits of training at an internationally recognised flight training school.

Once you successfully complete the program, you can look forward to an exciting career as a pilot with the Nauru Airlines team.

***Nauru Airlines is pleased to announce that this intake will be carried out on an annual basis, so please do not be discouraged if you are not selected for the current intake, but instead work towards achieving your dream through further education that will qualify you for the entry criteria in the future.***
